### Regardless of Age.

The kidneys are responsible for more sickness, suffering, and deaths than any other organs of the body.

A majority of the ills afflicting people to-day is traceable to kidney trouble. It pervades all clases of society, in all climates, regardless of age, sex or condition.

The symptoms of kidney trouble are unmistakable, such as rheumatism, neuralgia, sleeplessness, pain or dull ache in the back, a desire to urinate often day or

night, profuse or scanty supply.

Uric acid, or brick-dust deposit in urine are signs of clogged kidneys, causing III. poisoned and germ-filled blood. Sometimes the heart acts badly, and tube casts (wasting of the kidneys) are found in the urine, which if neglected will result here. in Bright's disease, the most dangerous form of kidney trouble.

All these symptoms and conditions are promptly removed under the influence of Dr. Kilmer's Swamp-Root. It has a world wild reputation for its wonderful been visiting her father and other relacures of the most distressing cases.
